BPLIM - Banco de Portugal Microdata Research Laboratory

APPLICATION FORM: EXTERNAL DATASET

1. Identification

Project ID:

Account:

Principal Researcher Full Name:

Affiliation:

Project Name:

2. External Dataset

2.1 Designation of the External Dataset:

2.2 Is it Public Data? Yes No

2.3 Source of the Data (insert link and/or contact of the External Provider, if available):

2.4 Briefly describe the dataset and explain the need to merge with BPLIM Data:

2.5 Do you have formal authorization to use this dataset in this research project?

Yes No If yes, please attach the document.

2.6 Are you authorized to link the dataset with other data?

Yes No

2.7 Comments:

2.8 What is the Dataset Format (Stata, Excel, others)?

2.9 Identify the key variables that allow to merge BPLIM dataset(s) with the External Dataset.

Compromise on the Data:

I hereby certify that I have access and I am allowed to use the identified External Dataset(s) for the purpose of this Research Project. I understand that the BPLIM is entitled to check the accuracy of the information given in this request form at any time. Unless otherwise agreed, it is my responsibility to provide BPLIM with the External Dataset(s).

Date:

To be filled out by BPLIM:

Approved?

Yes

No

Description of the Internal Data Preparation Procedures (anonymization, perturbation, randomization):

BPLIM is only allowed to use the External Data provided by the Researcher for the purposes of the abovementioned research project. Inappropriate use of the Data by the Researcher is not BPLIMs responsibility.
